

SOUTHWEST FARMERS' MARKET CONSORTIUM

RULES & REGULATIONS OF THE MARKETS - 2018

- I.** Southwest Arkansas Farmers' Market Consortium (SAFMC) consists of Howard County Farmers Market (in Nashville), Hope Farmers' Market (in Hope) and Old Washington Farmers' Market (in Old Washington State Park). The three Markets will be open to vendors who grow produce or produce farm products within 75 miles of the City of Washington, Arkansas and agree to comply with the rules and regulations of the Markets. Each of the Markets is governed by its own Overseers' Committee/Advisory Board and own set of ByLaws.

II. QUALIFICATIONS

- A.** Each grower shall complete a SWAFMC Vendor Registration Form, provided by either one of the three Markets, annually. Confirmation that produce is grown by the vendor *may* be required prior to approval.
- B.** Vendor Registration Forms must be submitted and approved based on these rules and regulations of the Consortium, prior to bringing produce to any of the three market locations. An exception may be made one (1) time, at the discretion of a Market Manager, to allow a grower bringing produce prior to being approved; however, said grower must complete a registration form and pay required fees.
- C.** In order to protect each of the Markets and all vendors, it may be necessary to confirm that produce sold at the Markets is grown by the vendor and not purchased elsewhere for resale. Therefore, each vendor agrees to random visits that *may* be made to the farm to confirm products are produced by the vendor. Inspections will be made by a Market Manager or a representative appointed by one of the Overseers Committees/Advisory Board of the individual Markets.
- D.** Only authorized growers will be allowed to accept WIC FMNP Vouchers for certain fresh produce grown in Arkansas and adjacent counties. Vendors must be approved to accept vouchers at the market location where they accept the vouchers. Any vendor violating this rule will lose the privilege to accept vouchers and may be banned from the Markets.
- E.** Any grower authorized to accept WIC FMNP Vouchers who redeems vouchers for an unauthorized person will lose their privilege to accept the vouchers and may be banned from the Markets. Rules as outlined by the Arkansas Department of Health regarding FMWIC Vouchers must be honored at all times.

III. GENERAL REGULATIONS

- A.** ABSOLUTELY NO BROKERS ("PEDDLERS") WILL BE PERMITTED TO SELL AT THE MARKETS.
- B.** IF WE DON'T GROW IT, WE DON'T SELL IT. All produce sold at the Markets must be grown by an approved grower. However, an approved grower may be represented at the Markets by a family member or an authorized representative as described below.

- 
- C. Family members will be defined as mother, father, son, daughter, brothers and sisters, grandparents, grandchildren, nieces or nephews. Family members do not have to be “authorized” on the Vendor Registration Form. *The family member is only authorized to sell produce of the registered grower from the location defined in the application* and not from their own farm or any other farm or grower except as defined in the application.
- D. A grower may choose to have an **authorized representative/employee** sell for him at the Markets. Anyone other than the grower or family member as described in III.C above must be authorized on the Vendor Registration Form. This authorization may be made at the time of the initial registration or at a later date. *The authorized representative/employee is only authorized to sell produce of the registered grower from the location defined in the application* and not from their own farm or any other farm or grower.
- E. The market year will begin January 1st and end December 31st.
- F. Vendors who register during the annual grower meeting and training may participate at all three market locations for the entire season for a single fee of \$75.00, which includes a \$15 registration fee. If the grower is not approved, the entire rent/registration fee will be returned to the grower. At other times, seasonal registration is \$50 for each individual market. The Consortium may elect to accept annual rents at later dates if agreed to by the markets.
- G. Beekeepers who are members of Southwest Arkansas Beekeepers who wish to sell *only honey and other bee products from their hives* may register to sell at the Association’s stall. Southwest Arkansas Beekeepers Association pays a seasonal fee of \$75 and may use their stall for fund-raising activities and to promote beekeeping and education about bees and as a site for their member beekeepers to sell honey and other bee products. The Association provides a list of their eligible members to SWAFMC. Hives must be within 75 miles of Old Washington Farmers’ Market and member beekeepers may only sell bee products (no produce or cottage foods) at Southwest Arkansas Beekeepers Booth.
